

ADDITIONAL AUTHOR'S GUIDELINES

Research papers should normally range between 4,000-7,000 words. Prepare the manuscript as a Word document with a margin on all sides of 1 inch and double spaced.

The first page should include the title of the paper and the names and contact details of all authors. The corresponding author, responsible for all communications with the journal, should be clearly specified.

The second page should include the title of the paper and an abstract of no more than 300 words that clearly explains the purpose, method and main findings of the research. The abstract should be followed by 4 or 5 keywords arranged in alphabetical order and separated by commas.

The main text should begin on the next page. Please make sure that author or authors are not indicated by name in the text and that the file itself does not identify the author or authors in any way. Tables and figures should be publication-ready and should be located in the text where the authors wish them to appear. Papers that do not meet the journal's instructions may be returned to authors for amendment. Book reviews should normally range between 900-1,500 words. Unsolicited book reviews are not accepted so please contact the editor first for any possible submission.

Please adhere to the APA style guidelines for citation and style. More details are available at <http://apastyle.org/>. Papers should be written in clear and consistent English (i.e. British or American or other but please stick with one). Authors may be requested to improve the quality of the English if necessary before the paper may be considered. The editor will make such editorial changes deemed necessary in the interest of clarity but proofs of the article will be provided to the authors prior to publication for checking.

Submissions should be sent to the editor in the form of an email attachment sent to the editor (jcwalsh@siu.ac.th).

The SIU Journal of Management does not charge for publication.

The editor's decision is final.

TYPES OF ARTICLES ACCEPTED

Most papers published will be original research papers related to the issue of management. Other papers may be primarily conceptual or theoretical in nature. These papers will be double blind peer reviewed.

In addition, the editor reserves the right to invite papers from prominent scholars and practitioners who are able to provide an overview of important issues related to management.

The editor will also consider for publication conference reports, book reviews and shorter (generally fewer than 2,000 words) opinion pieces about relevant current issues. These contributions will be screened by the editor but not peer reviewed. Kindly contact the editor before submission to determine whether your proposal would be of interest.
